

Dear Student,

We are really excited to contact you today regarding an exciting position as a Maths and English tutor for children aged between 4 - 14. Explore Learning currently have 127 centres across the UK and later this year, we are launching a brand-new centre in Wakefield city centre. This is a great opportunity to be a part of something new and would allow you to enhance your CV and employability skills, and would particularly benefit any of those wishing to pursue a career with children in the future.

As a Tutor you will form part of a really close-knit team dedicated to bringing children's learning to life and helping us to create fearless learners.

Everyone remembers the person who inspired them, a teacher, a friend, a family member, someone who changed how they saw things, solved a problem, and recognised their potential.

As a Tutor you will unlock those light bulb moments every single day and inspire children to become learners for life.

You'll be working with groups of 6 children all of completely mixed ages, ability and backgrounds. Always on hand as a mentor; you'll be helping to work out tricky tasks, encouraging our members to ask for help, celebrating when they have a go and recognising their hard work and effort. You'll be trained to have an armoury of different teaching methods at your fingertips and you'll be a master of a celebratory High 5!

Being passionate about education you might get the chance to take on ownership for one of our Additional Content courses, these group led classes focus on a variety of skills giving specialist support in things like the 11+, Entrance Exams, how to succeed in secondary school, Creative Maths and Creative Writing. We'll support you with training in the school curriculum and teaching methods but you should be confident in your maths and English abilities to work up to GCSE level.

We're all dedicated to providing exceptional service to our members in our centres and you'll form an integral part of that experience for families. It's crucial that you embody our Vision and Values and become a great ambassador that is passionate about setting high standards and making sure your centre is the very best it can be for your members.

Who we are looking for...

- Great role models that are enthusiastic and encouraging.
- People with a passion for education who can deliver exceptional service.
- Incredible people who will inspire and motivate children.
- Fun, exciting people who will throw themselves into the centre atmosphere.
- Great Explore ambassadors.
- You'll have a grade B or above in maths and English GCSE
- You might have some experience working with children and you'll definitely have the desire to meaningfully impact a child's education and be an aspirational role model for our members.

If you wish to apply for this fantastic role, then please forward your CV and cover letter to [wakefield@explorellearning.co.uk](mailto:wakefield@explorellearning.co.uk). We will respond to your email within 2 weeks. If you have any questions regarding the position, then please do feel free to drop us an email or call us on 07984208282.

We look forward to hearing from you soon.

Kind regards,

Hannah Murphy

Assistant Director
