

Kick-start your career as a apprentice

Apply today for a place on WDH's award winning apprenticeship scheme and join a business that is committed to you and your development.

The benefits include:

- a comprehensive training programme;
- learn from skilled and experienced mentors;
- an industry recognised qualification;
- tools to help you start your career; and
- a five day residential course to develop team building and leadership skills.

We have eight apprenticeships available in electrical, gas, heating and ventilation, plumbing and office based.

Visit our website for more information or contact Kate Radovanovic, Learning and Development Manager on 01977 724681.

Closing date: 6 April 2018

Starting salary of £8,783 - 37 hours

Reference no: W051/18

Please note, we do not accept CVs
